BAR OPTIONS

Open Bar – drinks will be added to the final bill based on consumption

Cash Bar – guests will create their own tabs with the bartender and will be responsible for paying prior to the end of the event. Any unpaid tabs will be added to the main bill.

Drink tickets – tickets will be provided by our staff for the host to distribute to guests. Charges will be based on consumption and added to final bill. If additional drinks are desired, guests may set up a cash bar tab.

We recommend one bartender for every 50 guests. A \$100 fee will apply to cover the bar set up and bartender. We serve beer and wine only. State laws prohibit any outside alcohol to be brought in. A limited bar menu is required and selections must be made at least one week in advance.
